1. This is an application filed by the State for cancellation of anticipatory bail. The only point which is argued is that while granting anticipatory bail, the Court has directed that the applicant will co-operate with the investigation. It is contended that the applicant is not co-operating with the investigation and is not producing mobile phone, gold chain which is the subject matter of theft and identity

card of ICICI bank. This by itself cannot be a ground for cancellation of anticipatory bail as the accused cannot be compelled to produce incriminating material. In the circumstances, application is rejected.
